

Swimming Sports

The Motiti swimming sports were a great success. There were non competitive and competitive races. The swimming sports lasted for one and a half days. Arnet went off to the Western Bay

of Plenty swimming champs along with a whole heap of others and she came 3rd in back stroke. Zoe Mccaal swam in the 25 m breaststroke and came a fabulous 5th.

In the class relays room 22 came first! And room 26 came 2nd to last 😞.

We did some writing in class afterwards. Here is a part of someone's personal experience writing.

I am swimming through the water. I am coming 2nd in free style. This girl is right in front of me and we are nearly tied but she touches the wall before me. I am happy that I came 2nd.

It was kind of Mr Whitaker to help Reece in his race. Also Mr Whitaker helped Devon, Fleur and Hamu too. It looked like the kids were having fun too. All the other teachers got in the water; I think they were having an awesome time.

Hope you liked our update of swimming sports 2010 😊
