

Dear Parents and Caregivers

Our Arts Festival final Assembly on Monday was a wonderful celebration of student talent. I would like to thank our Arts Curriculum Team, led by **Catherine McLeod**, the staff and all those who came along to make the past two weeks so special. Some of the static art is still displayed around the walls in the Hall. Please feel free to pop in and have a look if you have a spare moment.

Your support of our 'Book Fair' over the past week has been very much appreciated. We will have an additional \$1,000 to spend on books for our Library which is donated to the school via Scholastic Books. My thanks go to **Sue Hellyer, Julia van der Salm, Sheryl Bicker** and **Christine Hone** who donated their time toward both the planning and running of this event.

Congratulations go to our Cross Country Team who were placed 2nd overall in the Cluster Cross Country Championships run yesterday. We were once again 'pipped at the post' by Omanu. Special congratulations go to those selected to participate in the 'Inter-school event' to be run on **Friday 25 June** at Waipuna Park. Please refer to the Sports Report for detail on who will be representing our cluster in this event. Well done to **Keegan M** who took 1st place in the recent WBOP Squash championships our school participated in.

The WBoP Ripa Rugby World Cup to be held today at Blake Park from 9.30am—2.30pm today has been postponed until this **Friday 4 June**. My thanks go to both **Hamish Avery** and **Sam Mano** for the extra time they have spent training our teams.

Our Year 3/4 Gymnastics Team will be competing in the Inter-School Competition next Tuesday 8th June. I would like to wish them well and thank both **Ellen Adams** and **Anna Davenport** for the extra time they have spent in developing the routines and student skill level.

We will be holding a Maths Parent Evening on **Tuesday 15 June** from 6.30—7.30pm in the School Hall. A drink and nibbles will be available from 6.15pm. This will be a practical evening where you will be introduced to activities and games that will support your child's development and mastery of maths skills and concepts. It is important that you book for this evening. Returns for attendance should be sent back to school by today. (An invitation was sent home last week.)

**Pre PTP Indicator Reports have been sent home with Interview Booking instructions today.** Please look out for these. **You can book your interviews online for the Conferences to be held on 23<sup>rd</sup> and 24<sup>th</sup> June.** Instructions are included in the Reporting information. **If you do not have access to the internet, return your Interview Booking Form to school no later than Wednesday 9th June and we will book times for you.** Bookings are made on a first in first served basis, so the earlier you book online / return your booking requests to school, the better chance you have of getting your preferred time.

As is evident, this is a very busy time of the year. I would like to take this opportunity to thank you all for the wonderful support you give toward making high interest learning activities more manageable for us.  
**Phil Friar (Principal)**
