IMPORTANT TIPS

Passport that is valid for at least six months beyond your intended date of return home.

Book your flight so that you arrive a few days before the start of school.

This will allow you to recover from jetlag and to get ready to start school.

Ensure you pack your own bags and do not carry anything for other people.

Do not carry large amounts of cash.

Do not bring fresh food with you, even if it is in packaging. You are not allowed to bring fresh food into New Zealand (eg, fruit, vegetables, meat, dairy products, honey).

Make sure you let us know your flight and arrival details at least 2 weeks before you travel. If you are staying in a school-approved homestay, this will enable us to organise airport pick-up and check your travel insurance prior to departing from your home country. We will email you to confirm who will be collecting you from the airport. If you are living with a designated caregiver, they are responsible for collecting you from the airport.

INSURANCE

As part of the requirements of being an International Student in New Zealand, you need to have insurance that will cover the cost of medical treatment for the duration of your stay in New Zealand.

Companies who provide health insurance are:

Once you have booked your insurance, this must be approved by the school. Please submit the schedule of cover (in English) to the school for checking:

Arriving in New Zealand

Auckland Airport is very small in comparison to other airports around the world. When you arrive at Auckland Airport, you should have completed a Passenger Arrival Card. Please ensure that you declare everything. If you are not sure or do not understand, then ask for help.

You will go through Passport Control, Baggage Claim and Customs. You should collect your baggage and walk through either the **green exit** (if you have nothing to declare) or **red exit** (if you have items to declare).

It is important to understand that **undeclared items** will incur a minimum fine of \$400 NZD!

In the public arrivals lounge, if you are not with your parent, you will see either a member of our staff or a member of your host family waiting for you holding a sign with your name on it.

If you get lost at the airport, please contact the emergency number 021373961. Do not leave the airport without the designated person who has arranged to meet you. You will be taken to your new home to unpack, settle in, get to know your new family and recover from your journey.

Ensure you put your passport somewhere safe, or ask your host family to look after it.
