Please keep this document for future reference.

After the registration cut off dates, it will take a few weeks to organize and inform everyone about teams. Once teams are made up your contact details will be given to coaches and managers who will contact you with more detailed information. If teams do not have a coach or manager, the parents of the team will be notified asking for help because if there is **NO Coach or Manager, teams will not be registered.**

Please note that some sports facilities have covid requirements. This information will be sent out from sport centers before the first game with any updates.
